

Using *Acce/5*® On the Go

With *Acce/5*, you can easily watch, read, download or listen to content on your mobile device.

View and Download Content

Videos and audio summaries can be streamed directly from *Acce/5*. You can also easily download book summaries and articles on your phone or tablet to access anytime and anywhere on your own schedule.

Apple Devices

- Open the book summary or article you want to save
- Scroll down the page and click the “View PDF” button
- Once the file opens, click the share icon
- Select “Save to Files” on the list of options

Android Devices

- Open the book summary or article that you want to save
- Scroll down the page and click the “View PDF” button
- Tap and when the three dots appear, select Download

Add an *Acce/5* Icon

You can add an *Acce/5* icon to your device's home screen so you can access *Acce/5* with a single tap. It only takes a few simple steps:

Apple Devices

- Go to your *Acce/5* account and tap the Share arrow
- Select “Add to Home Screen” on the options menu and tap it
- Type in “Acce/5” and tap “Add”

Android Devices

- Login to your *Acce/5* account in Chrome
- Click the three dots to the right of the URL to open the menu
- Select “Add to Home Screen” in the menu and tap “Add”
