

ConsumerReports.org[®]

A comprehensive collection of expert, unbiased product reviews

Doing research takes time. Choosing the wrong product wastes money. Provide patrons with trusted information to help them make smart buying decisions.

With *ConsumerReports.org*, users can:

- Compare price, performance, and reliability all in one place with expert reviews
- Purchase the best product from favorite retailers like Amazon, Walmart, Home Depot, etc., on an ad-free, frequently updated website
- Find reliable information on new and used cars and enjoy a haggle-free buying experience through *Consumer Reports'* Build and Buy program
- Obtain reliable and unbiased consumer health information to improve healthcare outcomes

Subscribing to *ConsumerReports.org* via EBSCO offers:

- A rich user experience more comprehensive than the monthly publication
- Easy access through seamless and consistent authentication and entry points
- Patron privacy — anyone accessing *ConsumerReports.org* through the library's account is identified only as "library user"
