# Services for Academic and Research Libraries

Discover why working with EBSCO to acquire and manage your journals and e-packages helps you make the most of your subscription spend.

With EBSCO's services for academic libraries you can...

Access Comprehensive Content

Explore content options — including e-journals, e-packages, print titles, and more — through the most complete and accurate title file in the industry, with more than 385,000 titles from 128,000 publishers worldwide.

Manage Subscription Workflows in One Central Location – EBSCONET

Simplify each step of the subscription management process—title selection, ordering, e-access activation, claims, renewals, and evaluation—all within a single, intuitive online platform. In addition, you can place service requests, view the status and communicate directly with your customer service representative from within EBSCONET. Renew e-journal package subscriptions accurately with system-enforced contract terms, make changes to your package title list and track spend in real time.

Optimize with Ease

Collect, consolidate and report on the usage of your e-resources. With our suite of management solutions, you have instant access to the data you need to quickly evaluate your collection.

Increase Usage

Enhance the end-user experience through simplified and streamlined access. With *SmartLinks+*™, users get immediate, one-click access—whether searches originate in our EBSCO*host*® databases or our industry-leading *EBSCO Discovery Service*™.

Better Manage Print Titles

Replacement copies for damaged or missing issues are available from the two-year inventory of titles in the EBSCO Missing Copy Bank®, and shelf-ready journals can be delivered to your library via the *EBSCO Journal Expediting Service* (JETS).

Rely on Highly-Skilled Customer Support

EBSCO offers personal service for your account and on-site instruction, as well as online training and helpful instructional videos that are available at any time.
