

Services for Public Libraries

Streamline your workflow and ensure your patrons have quick, easy access to all the content in your collection.

With EBSCO's services for public libraries you can...

Access Comprehensive Content

Explore content options — including e-journals, e-packages, print titles, and more — through the most complete and accurate title file in the industry, with more than 385,000 titles from 128,000 publishers worldwide.

Manage Subscription Workflows in One Central Location – EBSCONET®

Simplify each step of the subscription management process—title selection, ordering, e-access activation, claims, renewals, and evaluation—all within a single, intuitive online platform. In addition, you can place service requests, view the status and communicate directly with your customer service representative from within EBSCONET.

Better Manage Print Titles

Get replacement copies for damaged or missing issues from the two-year inventory of thousands of different titles in the EBSCO Missing Copy Bank®.

Optimize with Ease

Collect, consolidate and report on the usage of your e-resources. With our suite of management solutions and available reports, you have instant access to the data you need to quickly evaluate your collection.

Rely on Highly Skilled Customer Support

EBSCO offers personal service for your account and on-site instruction, as well as online training and helpful instructional videos that are available at any time.
