Subscription Collections:

When budgets are lean and your organization needs a large number of high-quality e-books on specific subjects, e-book subscriptions are a great solution. These highly curated collections vary in quantity based on topic and offer unlimited user access.

BusinessCore Collection

E-books help busy professionals increase their expertise across all disciplines of business, including leadership, sales and marketing, human resources, finance, and project management with this robust collection of more than 9,900 e-books.

EngineeringCore Collection

Professionals can broaden their engineering industry knowledge to support future decision-making and facilitate product design with this focused collection of more than 6,400 e-books.

ITCore Collection

This collection contains more than 3,600 e-books covering key subject areas in IT, including content management, desktop and office applications, enterprise computing, graphic design and multimedia, internet and web development, programming languages, telecommunications and more.

Sage Subscription Collections

In collaboration with Sage Publishing, libraries can subscribe to four unique collections of e-books through EBSCO that offer options for researchers looking for textbooks alternatives and quick reads covering essential topics.

Contact an EBSCO representative for subscription title lists and pricing options.
