

In partnership with EBSCO eBooks, Sage presents:

Transforming Nursing Practice series eBook collection

The **Transforming Nursing Practice** series is part of the Learning Matters imprint and is tailor-made for pre-registration student nurses, with each book in the series addressing a core topic from the nursing degree. The books are mapped to the NMC standards of proficiency for registered nurses and have been carefully developed to be simple to use, quick to read and full of active learning features.

What is the Transforming Nursing Practice e-book collection?

The **Transforming Nursing Practice** series eBook collection provides learners with **unrestricted 24/7 access to over 60 essential textbooks** they need to succeed in their nursing education.

Learners can gain immediate access to the complete eBook collection on their smartphones, tablets, or computers whenever and wherever they need them; ensuring they always feel supported and prepared throughout their studies.

Learners can access any recommended eBook within the Transforming Nursing Practice series and additionally make use of a wide range of valuable learning features such as activities, frameworks, models, and case studies to help them apply the theory to practice.

The collection is a comprehensive resource which helps to make it easier to follow and engage better with the course. Trainee nurses will be able to develop integrated, up-to-date knowledge of the theory, concepts and philosophy of Nursing, whilst enhancing their skills and abilities in the practical applications.

Contact **EBSCO** to request a title list and price.

Access is based on a one year annual lease subscription, with unlimited concurrent user access.
