# Flipster
System Requirements

Flipster has been tested and confirmed to work on your desktop computer with the following browsers:

System	Requirements
FireFox	Latest and one previous version
Safari	Latest and one previous version
Google Chrome	Latest and one previous version
Microsoft Edge	Latest Edge release plus one previous major version
Other	JavaScript, Cookies Enabled

Notes:

- If you are using an older browser, Flipster may function properly, but your results may vary.

- The recommended screen resolution is 1024 x 768.

- Adobe Flash Player 10.0 or later is required to use Text-To-Speech on interfaces in which it is available.

Mobile App Requirements

The following operating systems have been tested and confirmed to be supported by Flipster:

- iOS - Versions 12 and later

- Android - Version 5.0 (Lollipop) and later
